

Homework 1 Rubric

BEE 4750/5750

Due: Sep 15, 2022 by 9:00pm ET

1 General Rubric:

- 10% will be taken off per day for late submissions.
- Penalty for failure to list references will depend on severity (not documenting collaborators vs. outright plagiarism, for example, are very different)

2 Problem-Specific Rubric

''' indicates that a particular score is not achievable for a given problem or part.

2.1 Problem 1 (Total: 15 Points)

Part	
1.1	No systems diagram provided or figure included with incorrect or incomplete components or connections
1.2	No model provided or incorrect equation(s) provided without derivation or justification
1.3	No code included or code included but does not properly implement the model
1.4	Model not evaluated over multiple treatment levels
1.5	No answer provided or answer does not reflect model evaluation
1.6	No answer provided or answer does not reflect consideration of the problem
